PETITION TO RENEW 37 CFR 1.137(b) PETITION TO REVIVE

Dear Sir:

The above-identified case was allowed on December 1, 2003. The Issue Fee was due on March 1, 2003; however, the applicant did not pay the Issue Fee when due.

A Petition to Revive the above-identified application was submitted on October 1, 2004 along with the required Issue Fee.

The Petition to Revive was dismissed on November 1, 2004, as corrected formal drawings had not been submitted. The Applicant was given two months to correct this omission.

On January 5, 2005, the corrected formal drawings were submitted.

On June 24, 2005, a Status Inquiry was mailed to the U.S. Patent and Trademark Office with a response form attached thereto. The response form was returned without any information about issuance of the patent.

On July 12, 2005, a second Status Inquiry was mailed to the U.S. Patent and Trademark Office with a response form attached thereto. Again, the response form was returned without any information about issuance of the patent.

On September 5, 2005, a third Status Inquiry was mailed to the U.S. Patent and Trademark Office with a response form attached thereto. No response has been received.

On September 20, 2005, a fourth Status Inquiry was mailed to the U.S. Patent and Trademark Office with a response form attached thereto. No response has been received.

Following a telephone conversation with an attorney in the office of petition, Applicant's counsel was advised that the proper procedure was to file a Petition to Renew a 37 CFR 1.137(b) Petition to Revive. Accordingly, applicant files this Petition to Renew and earnestly requests that this application be allowed and a patent issued.

Date: August 25, 2006

Respectfully submitted,
